

ACADEMY FOR POSITIVE LEARNING

Dear Eagle Parents/Guardians,

Below you will find a copy of the current list of the school Board of Directors for your personal information. Meeting notices are posted at least 48 hours prior to the meeting as a reminder to all interested in attending. The Board of Directors is made up of Community members and parents who care about the school and about the education of your children.

The Grievance Policy for A4PL: it is always best to address your concerns directly with the teacher or staff member involved first, and then if your problem is not resolved, schedule an appointment to speak with the Assistant Principal or Principal. If you are still not satisfied, the final step would be to address the Board of Director, Peterson Magloire. As both Mr. Magloire and I have an open door policy, please feel free to stop by our office to meet as necessary so we can work to resolve the issue immediately.

We value your participation in the education of your children and hope you will at least visit a board meeting to see what we do behind the scenes.

Sincerely,

Renatta Espinoza

Board of Directors

Doris P. Wesley - President

Peterson Magloire - Treasurer/ Parent Liaison

Darrin Stinnet – Director

Please direct all comments and requests for the Board to the front office at 561-585-6104 who will forward any questions or message you may have.
